About SRM

Sustainable Resource Management Ltd (SRM) was established in the year 2000 and has since been a key player in providing consultancy services in energy and the environment. To date, the company has completed around 184 consultancy assignments ranging from Environment and Social Impact Assessment to Economic Assessment of key project related to power plants, integrated resort schemes, solid waste processing plants and other key infrastructure projects. The founder, Dr Revin Panray Beeharry has over 30 years' experience in providing advisory services.

The CEO

Revin Panray Beeharry is a Chemical Engineer by training. He graduated from India's premier engineering school "IIT Bombay" in 1987. He subsequently earned a master's degree in Chemical Engineering from the Illinois Institute of Technology, Chicago (USA) in 1992 and a PhD in Chemical Engineering from the University of Mauritius in 1999. Dr Beeharry spent some 13 years (1987 to 2000) in academia at the University of Mauritius. Since 2000, he has been at the helm of Sustainable Resource Management Ltd an environmental consulting practice he founded. Under his leadership, SRM Ltd has completed over 200 consultancy assignments which include key projects related to Environment Impact Assessment, Power Generation, GHG mitigation and assessment, Composting, Wind farms, and other industrial projects. Dr Beeharry has worked for organizations like the UNDP, UNESCO and UNCTAD, AfDB and the DOE of the USA. He has the ability to manage tight budgets to produce coherent results in the necessary timeframe. He is well versed with environmental regulations in force in Mauritius and Rodrigues and has successfully achieved environmental permitting for complex projects.

1. INFRASTRUCTURE AND THE ENVIRONMENT

We work closely with project promoters and the relevant authorities to find acceptable mitigation measures to reduce environmental impacts that may occur during construction, operation and decommissioning phases of projects. Our approach is inspired from life cycle assessment. Our track record in this area consists of the following projects/studies:

Application for Land Conversion Permits & Land Drainage Impact Assessment	Name of assignment: Consultancy Services for Land Conversion Permit (LCP) Application and Land Drainage Impact Assessment (LDIA) Report for a PV Farm of Capacity of 1980 kWp at Arsenal Year : 2024 Location : Arsenal Client: Green, Yellow Construction Ltd Main Project features : Preparation of Land Conversion Permit (LCP) application and Land Drainage Impact Assessment (LDIA) Position held: Consultant Activities performed: Preparation of the LCP application for application to the Ministry of Agro Industry and Food Security and Preparation of the LDIA for application to the Land Drainage Authority

195. Application for Land Conversion Permits & Land Drainage Impact Assessment	Name of assignment: Year : Location : Client: Main Project features : Position held: Activities performed:	Consultancy Services for Land Conversion Permit (LCP) Application and Land Drainage Impact Assessment (LDIA) Report for a PV Farm of Capacity of 1971 kWp at Arsenal 2024 Arsenal Green Yellow Construction Ltd Preparation of Land Conversion Permit (LCP) application and Land Drainage Impact Assessment (LDIA) Consultant Preparation of the LCP application for application to the Ministry of Agro Industry and Food Security and Preparation of the LDIA for application to the Land Drainage Authority
194. Environmental Monitoring Plan (EMP) & Environmental Monitoring Reports (EMR)	Name of assignment: Year : Location : Client: Main Project features : Position held: Activities performed:	Proposed Construction of Bain Boeuf Apartment of 84 keys at Bain Boeuf in the district of Rivière du Rempart 2024 Rivière du Rempart Serenity Future Ltd Preparation of Environmental Monitoring Plan (EMP)& Environmental Monitoring Reports (EMR) Consultant/ Team Leader Preparation of EMP & EMR Reports for application to the Department of Environment (DoE) and other relevant authorities
193. Application for Land Conversion Permits & Land Drainage Impact Assessment	Name of assignment: Year : Location : Client: Main Project features : Position held: Activities performed:	Consultancy Services for Land Conversion Permit (LCP) Application and Land Drainage Impact Assessment (LDIA) Report for a PV Farm of Capacity of 1188 kWp at Solitude 2024 Solitude Green, Yellow Construction Ltd Preparation of Land Conversion Permit (LCP) application and Land Drainage Impact Assessment (LDIA) Consultant Preparation of the LCP application for application to the Ministry of Agro Industry and Food Security and Preparation of the LDIA for application to the Land Drainage Authority
192. Environmental Monitoring Plan (EMP) & Environmental Monitoring Reports (EMR)	Name of assignment: Year : Location : Client: Main Project features : Position held: Activities performed:	Construction of La Pirogue Residences at Wolmar Flic-en-Flac 2024 Flic en Flac La Pirogue Residences Ltd Preparation of Environmental Monitoring Plan (EMP)& Environmental Monitoring Reports (EMR) Consultant/ Team Leader Preparation of EMP & EMR Reports for application to the Department of Environment (DoE) and other relevant authorities

191. Preliminary Environmental Report	<i>Name of assignment:</i> Consultancy Services for the Preparation of a Preliminary Environmental Report for the Proposed Plant for the Manufacture of Fibre Optics Cable by Aksh Technologies Mauritius Ltd at Pailles <i>Year :</i> 2024 <i>Location :</i> Pailles <i>Client:</i> Aksh Technologies Mauritius Ltd <i>Main Project features :</i> Preparation of a Preliminary Environment Report (PER) <i>Position held:</i> Consultant <i>Activities performed:</i> Preparation of a Preliminary Environmental Report (PER) for application to the Department of Environment (DoE) and other relevant authorities
190. Environmental Impact Assessment	<i>Name of assignment:</i> Consultancy Services for the Preparation of the Environmental Impact Assessment Report for the Installation of a Floating Pontoon on Ruisseau Cresson <i>Year :</i> 2024 <i>Location :</i> Black River <i>Client:</i> D. Baznath <i>Main Project features :</i> Preparation of an Environmental Impact Assessment (EIA) Report <i>Position held:</i> Consultant <i>Activities performed:</i> Preparation of an Environment Impact Assessment Report (EIA) for application to the Department of Environment (DoE) and other relevant authorities
189. Application of BLUP and LCP	<i>Name of assignment:</i> Consultancy Services for Building and Land Use Permit and Land Conversion Permit Application for 2.5 MW_p Solar PV Project at Fond du Sac <i>Year :</i> 2024 <i>Location :</i> Fond du Sac <i>Client:</i> Axian Energy Green <i>Main Project features :</i> Application of Building and Land Use Permit (BLUP) and Land Conversion Permit (LCP) <i>Position held:</i> Consultant <i>Activities performed:</i> Application for Building and Land Use Permit (BLUP) and Land Conversion Permit (LCP)
188. Environmental Impact Assessment Report, Land Conversion Permit & Land Drainage Impact Assessment	<i>Name of assignment:</i> Preparation of Environmental Impact Assessment Report (EIA), Land Conversion Permit (LCP) and Land Drainage Impact Assessment (LDIA) for the Proposed 16 MW Solar PV Farm Project at Petit Riviere <i>Year :</i> 2023 <i>Location :</i> Petite Riviere, Mauritius <i>Client:</i> Tianli Spinning (Mauritius) Co Ltd <i>Main Project features :</i> Preparation of Environmental Impact Assessment (EIA) Report & Land Drainage Impact Assessment (LDIA) & application of Land Conversion Permit (LCP) <i>Position held:</i> Consultant <i>Activities performed:</i> Preparation of Environmental Impact Assessment Report (EIA), Land Conversion Permit (LCP) and Land Drainage Impact Assessment (LDIA)

187. Variation to Environmental Impact Assessment License & Land Conversion Permit	<i>Name of assignment:</i> Preparation of report for Variation to Environmental Impact Assessment License and Land Conversion Permit <i>Year :</i> 2023 <i>Location :</i> Arsenal, Mauritius <i>Client:</i> Green Yellow (Arsenal) Ltd <i>Main Project features :</i> Preparation of Variation to Environment Impact Assessment (EIA) License report, application of Land Conversion Permit (LCP) <i>Position held:</i> Consultant <i>Activities performed:</i> Preparation of report for Variation to Environmental Impact Assessment (EIA) License and Land Conversion Permit (LCP)
186. Environmental Impact Assessment	<i>Name of assignment:</i> Preparation of Environmental Impact Assessment Report (EIA) for the Proposed Battery Anode Facility at Mer Rouge <i>Year :</i> 2023 <i>Location :</i> Mer Rouge <i>Client:</i> NextSource CSPG (Mauritius) Ltd <i>Main Project features :</i> Preparation of an Environment Impact Assessment (EIA) Report <i>Position held:</i> Consultant <i>Activities performed:</i> Preparation of an Environment Impact Assessment Report (EIA) for application to the Department of Environment (DoE) and other relevant authorities
185. Consultancy services	<i>Name of assignment:</i> Consultancy Services to facilitate Waiver of Environmental Impact Assessment License for 2.5 MW_p Solar PV Project at Fond du Sac <i>Year :</i> 2023 <i>Location :</i> Fond du Sac, Mauritius <i>Client:</i> Axian Energy Green <i>Main Project features :</i> To Facilitate Waiver of Environment Impact Assessment (EIA) Licence <i>Position held:</i> Consultant/ Team Leader <i>Activities performed:</i> Preparation of Report for application to the relevant authorities
184. Environmental Impact Assessment & Environmental Monitoring Plan Reports	<i>Name of assignment:</i> Preparation of Environmental Impact Assessment Report (EIA) and Environmental Monitoring Plan (EMP) Reports for the Proposed Project Magenta Parkside Phase 2 <i>Year :</i> 2023 <i>Location :</i> Cascavelle, Mauritius <i>Client:</i> Medine Group/Property, Mauritius <i>Main Project features :</i> Preparation of Environment Impact Assessment & EMP Report <i>Position held:</i> Consultant <i>Activities performed:</i> Preparation of an Environment Impact Assessment (EIA) & (EMP) Reports for application to the Department of Environment (DoE) and other relevant authorities

183.Environmental and Social Impact Assessment Report as per International Standards	Name of assignment: Year : Location : Client: Main Project features : Position held: Activities performed:	Preparation of an Environmental and Social Impact Assessment Report (ESIA) for the 30 MWac Solar PV Farm with BESS at Mare D'Australia 2023 Mare D'Australia, Mauritius SPV 30MW Belle Vue 3 Ltd / Corexsolar International (Mauritius) Ltd Preparation of ESIA Report including ecological assessment, consultations, socio economic profiling, heritage impact Consultant Preparation of Environment and Social Impact Assessment Report (ESIA) for bankability of the project
182.Environmental and Social Impact Assessment Report as per International Standards	Name of assignment: Year : Location : Client: Main Project features : Position held: Activities performed:	Preparation of an Environmental and Social Impact Assessment Report (ESIA) for the 30 MWac Solar PV Farm with BESS at Amaury 2023 Amaury, Mauritius SPV 30MW Belle Vue 2 Ltd / Corexsolar International (Mauritius) Ltd Preparation of ESIA Report including ecological assessment, consultations, socio economic profiling, heritage impact Consultant Preparation of Environment and Social Impact Assessment Report (ESIA) for bankability of the project
181.Environmental and Social Impact Assessment Report as per International Standards	Name of assignment: Year : Location : Client: Main Project features : Position held: Activities performed:	Preparation of an Environmental and Social Impact Assessment Report (ESIA) for the 10 MWac Solar PV Farm with BESS at Plaines des Papayes 2023 Plaines des Papayes, Mauritius SPV10MW Belle Vue 1/Corexsolar International (Mauritius) Ltd Preparation of ESIA Report including ecological assessment, consultations, socio economic profiling, heritage impact Consultant Preparation of Environment and Social Impact Assessment Report (ESIA) for bankability of the project

180.Environmental Impact Assessment Report & Land Drainage Impact Assessment	<i>Name of assignment:</i> Preparation of Environmental Impact Assessment Report (EIA) including Land Drainage Impact Assessment (LDIA) Reports for the proposed Project Belle Vue 3 of 30MWac Solar PV Farm at Mare D'Australia <i>Year :</i> 2023 <i>Location :</i> Mare D'Australia <i>Client:</i> SPV 30MW Belle Vue 3 Ltd / Corexsolar International (Mauritius) Ltd <i>Main Project features :</i> Preparation of an Environmental Impact Assessment (EIA) Report & Land Drainage Impact Assessment (LDIA) <i>Position held:</i> Consultant/ Team Leader <i>Activities performed:</i> Preparation of an Environment Impact Assessment Report (EIA) for application to the Department of Environment (DoE) and other relevant authorities
179.Environmental Impact Assessment Report & Land Drainage Impact Assessment	<i>Name of assignment:</i> Preparation of Environmental Impact Assessment Report (EIA) including Land Drainage Impact Assessment (LDIA) Reports for the proposed Project Belle Vue 2 of 30MWac Solar PV Farm at Amaury <i>Year :</i> 2023 <i>Location :</i> Amaury <i>Client:</i> SPV 30MW Belle Vue 2 Ltd / Corexsolar International (Mauritius) Ltd <i>Main Project features :</i> Preparation of an Environmental Impact Assessment (EIA) Report & Land Drainage Impact Assessment (LDIA) <i>Position held:</i> Consultant/ Team Leader <i>Activities performed:</i> Preparation of an Environment Impact Assessment Report (EIA) for application to the Department of Environment (DoE) and other relevant authorities
178.Environmental Impact Assessment Report	<i>Name of assignment:</i> Preparation of Environmental Impact Assessment Report (EIA) for proposed 10MWac Solar PV Farm Projects at Bon Air, Plaines des Papayes <i>Year :</i> 2023 <i>Location :</i> Bon Air, Plaines des Papayes <i>Client:</i> SPV 10MW Belle Vue1 Ltd / Corexsolar International (Mauritius) Ltd <i>Main Project features :</i> Preparation of EIA Report <i>Position held:</i> Consultant/ Team Leader <i>Activities performed:</i> Preparation of an Environment Impact Assessment Report (EIA) for application to the Department of Environment (DoE) and other relevant authorities

177.Environmental and Social Impact Assessment Report as per International Standards	<i>Name of assignment:</i> Preparation of Environmental and Social Impact Assessment Report (ESIA) for the 30 MW Solar PV Farm with BESS at Trou D'eau Douce by Stor'Sun 1 Ltd <i>Year :</i> 2023 <i>Location :</i> Trou D'eau Douce, Mauritius <i>Client:</i> QAIR <i>Main Project features :</i> Preparation of ESIA Report including ecological assessment, consultations, socio economic profiling, heritage impact <i>Position held:</i> Consultant <i>Activities performed:</i> Preparation of Environment and Social Impact Assessment Report (ESIA) for bankability of the project
176.Environmental Impact Assessment Report	<i>Name of assignment:</i> Installation of a 30 MW Solar PV Farm with Battery Energy Storage System (BESS) at Trou D'eau Douce by Stor'Sun 1 Ltd <i>Year :</i> 2022 <i>Location :</i> Trou D'Eau Douce, Mauritius <i>Client:</i> Qair <i>Main Project features :</i> Preparation of EIA (local) <i>Position held:</i> Consultant/ Team Leader <i>Activities performed:</i> Preparation of an Environment Impact Assessment Report (EIA) for application to the Department of Environment (DoE) and other relevant authorities
175.Environmental and Social Impact Assessment Report as per International Standards	<i>Name of assignment:</i> Preparation of Environmental and Social Impact Assessment Report (ESIA) for a 10 MW Solar PV Farm with BESS at Trou D'eau Douce by Stor'Sun 2 Ltd <i>Year :</i> 2023 <i>Location :</i> Trou D'eau Douce, Mauritius <i>Client:</i> QAIR <i>Main Project features :</i> Preparation of ESIA Report including ecological assessment, consultations, socio economic profiling, heritage impact <i>Position held:</i> Consultant <i>Activities performed:</i> Preparation of Environment and Social Impact Assessment Report (ESIA) for bankability of the project
174.Environmental Impact Assessment Report	<i>Name of assignment:</i> Installation of a 10 MW Solar PV Farm with Battery Energy Storage System (BESS) at Trou D'eau Douce by Stor'Sun 2 Ltd <i>Year :</i> 2022 <i>Location :</i> Trou D'Eau Douce <i>Client:</i> Qair <i>Main Project features :</i> Preparation of EIA <i>Position held:</i> Consultant/ Team Leader <i>Activities performed:</i> Preparation of an Environment Impact Assessment Report (EIA) for application to the Department of Environment (DoE) and other relevant authorities

173.Environmental and Social Impact Assessment Report as per International Standards	<i>Name of assignment:</i> <i>Year :</i> <i>Location :</i> <i>Client:</i> <i>Main Project features :</i> <i>Position held:</i> <i>Activities performed:</i>	Preparation of Environmental and Social Impact Assessment Report (ESIA) for a 10 MW Solar PV Farm with BESS at Arsenal (Massilla) by Stor'Sun 3 Ltd 2023 Arsenal, Mauritius QAIR Preparation of ESIA Report including ecological assessment, consultations, socio economic profiling, heritage impact Consultant Preparation of Environment and Social Impact Assessment Report (ESIA) for bankability of the project
172.Environmental Impact Assessment Report	<i>Name of assignment:</i> <i>Year :</i> <i>Location :</i> <i>Client:</i> <i>Main Project features :</i> <i>Position held:</i> <i>Activities performed:</i>	Installation of a 10 MW Solar PV Farm with Battery Energy Storage System (BESS) at Arsenal (Massilla) by Stor'Sun 3 Ltd 2022 Arsenal, Mauritius Qair Preparation of EIA (local) Consultant/ Team Leader Preparation of an Environment Impact Assessment Report (EIA) for application to the Department of Environment (DoE) and other relevant authorities
171.Environmental and Social Impact Assessment Report as per International Standards	<i>Name of assignment:</i> <i>Year :</i> <i>Location :</i> <i>Client:</i> <i>Main Project features :</i> <i>Position held:</i> <i>Activities performed:</i>	Preparation of Environmental and Social Impact Assessment Report (ESIA) for a 10 MW Solar PV Farm with BESS at Petit Verger (Circonstance) by Stor'Sun 4 Ltd 2023 Petit Verger, Mauritius QAIR Preparation of ESIA Report including ecological assessment, consultations, socio economic profiling, heritage impact Consultant Preparation of Environment and Social Impact Assessment Report (ESIA) for bankability of the project
170.Environmental Impact Assessment Report	<i>Name of assignment:</i> <i>Year :</i> <i>Location :</i> <i>Client:</i> <i>Main Project features :</i> <i>Position held:</i> <i>Activities performed:</i>	Installation of a 10 MW Solar PV Farm with Battery Energy Storage System (BESS) at Petit Verger (Circonstance) by Stor'Sun 4 Ltd 2022 Petit Verger, Mauritius Qair Preparation of EIA Consultant/ Team Leader Preparation of an Environment Impact Assessment Report (EIA) for application to the Department of Environment (DoE) and other relevant authorities

169.Environmental Monitoring Plan & Environmental Monitoring Reports	Name of assignment: Installation of a 10MW PV Farm Project at Petite Retraite by GreenRock Ltd Year : 2023 Location : Petite Retraite Client: GreenRock Ltd Main Project features : Preparation of an EMP and EMR Position held: Consultant/ Team Leader Activities performed: Preparation of Environmental Monitoring Plan (EMP) and Environmental Monitoring Reports (EMR) for application to all relevant authorities
168.Environmental Monitoring Plan / Environmental Monitoring Report	Name of assignment: Installation of a 1MW PV Farm Project in Rodrigues Year : 2023 Location : Rodrigues Client: Corexsolar International (Mauritius) Ltd Main Project features : Preparation of EMP and EMR reports Position held: Consultant/ Team Leader Activities performed: Preparation of Environmental Monitoring Plan (EMP) and Environmental Monitoring Reports (EMR) for application to all relevant authorities
167.Environmental Impact Assessment Report & Environmental Monitoring Plan	Name of assignment: Cascavelle Hospital Ltd by Medine Ltd Year : 2022 Location : Cascavelle Client: Cascavelle Hospital Ltd c/o Medine Ltd Main Project features : Preparation of Environmental Impact Assessment (EIA)and Environmental Monitoring Plan (EMP) report Position held: Consultant/ Team Leader Activities performed: Preparation of Environmental Impact Assessment (EIA) report and Environmental Monitoring Plan (EMP) report for application to the Department of Environment (DoE) and to all relevant authorities
166.Gap Analysis	Name of assignment: Gap Analysis between IFC PS and Mauritian Legal Framework in relation to PV Projects Year : 2022 Location : Rodrigues Client: Corexsolar International (Mauritius) Ltd Main Project features : Preparation of Gap Analysis Position held: Consultant/ Team Leader Activities performed: Preparation of Gap Analysis between IFC PS and Mauritian Legal Framework in relation to PV Projects

165.Environment Management & Monitoring Report	<i>Name of assignment:</i> Environmental Management and Monitoring Report for Wind Farm Project <i>Year :</i> 2015 to Date <i>Location :</i> Plaine Des Roches Ltd /Mauritius <i>Client:</i> Eole Plaine Des Roches Ltd <i>Main Project features :</i> Preparation of EMR report for the Wind Farm by EOLE Plaines des Roches <i>Position held:</i> Consultant/ Team Leader <i>Activities performed:</i> Preparation of a Quarterly EMR Reports since 2015 to date for application to all relevant government authorities
164.Consultancy Services	<i>Name of assignment:</i> Consultancy services for Facilitation and Negotiation to remove or limit Medine LTD's liability in connection with lava tunnels under VRS Morcellement at Palma <i>Year :</i> 2022 <i>Location :</i> Palma <i>Client:</i> Medine Ltd <i>Main Project features :</i> Facilitation and Negotiation to remove or limit Medine LTD's liability in connection with lava tunnels under VRS Morcellement <i>Position held:</i> Consultant/ Team Leader <i>Activities performed:</i> Consultancy services for Facilitation and Negotiation to remove or limit Medine LTD's liability in connection with lava tunnels under VRS Morcellement at Palma
163.Environmental Impact Assessment Report	<i>Name of assignment:</i> Proposed installation of 15MW Solar PV Power Projects at Le Val <i>Year :</i> 2022 <i>Location :</i> Le Val, Mauritius <i>Client:</i> Le Val Village Photovoltaïque Ltd <i>Main Project features :</i> Preparation of EIA Report <i>Position held:</i> Consultant/ Team Leader <i>Activities performed:</i> Preparation of an Environment Impact Assessment Report (EIA) for application to the Department of Environment (DoE) and other relevant authorities
162.Environmental Impact Assessment Report	<i>Name of assignment:</i> Construction of a New Eye Care Hospital at Moka <i>Year :</i> 2022 <i>Location :</i> Moka <i>Client:</i> Varindera Construction Ltd <i>Main Project features :</i> Preparation of EIA Report <i>Position held:</i> Consultant/ Team Leader <i>Activities performed:</i> Preparation of an Environment Impact Assessment Report (EIA) for application to the Department of Environment (DoE) and other relevant authorities

161.Preliminary Environmental Report	<i>Name of assignment:</i> Installation of a Containerised Paint Recycling Plant at Petit Verger <i>Year :</i> 2022 <i>Location :</i> Petit Verger <i>Client:</i> DW Solutions Ltd <i>Main Project features :</i> Preparation of PER <i>Position held:</i> Consultant/ Team Leader <i>Activities performed:</i> Preparation of a Preliminary Environmental Report (PER) for application to the Department of Environment (DoE) and other relevant authorities
160.Environmental Impact Assessment Report	<i>Name of assignment:</i> Setting up of 2.0 MWp Floating PV Plant at Tamarind Falls Reservoir, Mauritius <i>Year :</i> 2022 <i>Location :</i> Tamarin Falls Reservoir Dam, Henrietta <i>Client:</i> Central Electricity Board <i>Main Project features :</i> Preparation of an EIA Report <i>Position held:</i> Consultant/ Team Leader <i>Activities performed:</i> Preparation of an Environment Impact Assessment Report (EIA) for application to the Department of Environment (DoE) and other relevant authorities
159.Environmental Impact Assessment / Land Conversion Permit	<i>Name of assignment:</i> Setting up of a Solar Farm of 13.86 MW _p at Arsenal <i>Year :</i> 2022 <i>Location :</i> Arsenal <i>Client:</i> Green Yellow Ltd <i>Main Project features :</i> Preparation of EIA Report and Land Conversion Permit <i>Position held:</i> Consultant/ Team Leader <i>Activities performed:</i> Preparation of Environment Impact Assessment Report (EIA) for application to all other relevant authorities and application for Land Conversion Permit (LCP)
158.Environmental Impact Assessment Report	<i>Name of assignment:</i> Construction of La Pirogue Residences at Wolmar Flic-en Flac <i>Year :</i> 2022 <i>Location :</i> Flic en Flac <i>Client:</i> La Pirogue Residences Ltd <i>Main Project features :</i> Preparation of Environment Impact Assessment Report (EIA) <i>Position held:</i> Consultant/ Team Leader <i>Activities performed:</i> Preparation of an Environment Impact Assessment Report (EIA) for application to the Department of Environment (DoE) and other relevant authorities

157.Environmental Impact Assessment	<i>Name of assignment:</i> Setting up of an Oxygen Manufacturing Plant at Petit Verger <i>Year :</i> 2022 <i>Location :</i> Petit Verger <i>Client:</i> Blue Oxygen Ltd <i>Main Project features :</i> Preparation of EIA <i>Position held:</i> Consultant/ Team Leader <i>Activities performed:</i> Preparation of an Environment Impact Assessment Report (EIA) for application to the Department of Environment (DoE) and other relevant authorities
156.Country Level Waste Plastic Strategy	<i>Name of assignment:</i> MCCI Roadmap for Waste Plastic Free Mauritius <i>Year :</i> 2022 <i>Location :</i> Port Louis <i>Client:</i> Mauritius Chamber of Commerce and Industry <i>Main Project features :</i> Waste plastic generation, categorisation and circularity options <i>Position held:</i> Consultant/ Team Leader <i>Activities performed:</i> Estimation of annual waste plastic generation landfilled and un-accounted. Categorisation and legal, economic and information strategies for promoting circularity, with special emphasis on single use plastic products
